## REVELATION: Only the "Vaccinated" died during the Spanish Flu

Everything you thought you knew about the infamous "Spanish Flu" outbreak of 1918 is probably wrong.

It turns out that one of the most well-known pandemics from recent history was actually caused by the "vaccines" that were supposedly introduced to stop it- much like how the Wuhan coronavirus (COVID-19) "vaccines" of today are spreading more covid. Dr. Sal Martingano, FICPA, explains that mass vaccination during the Spanish Flu is what actually caused people to die. In fact, the only people who ended up dying during the ordeal were those who got jabbed.

Because Spain remained neutral during both the first and second world wars and did not censor its press like was occurring elsewhere, it would become the first country in the world to report a flu epidemic in 1918. This would explain why Spain ended up being scapegoated for what would later be called the "Spanish Flu". However, it turns out that that first real case of the deadly disease actually occurred in Kansas at a military base where vaccine experiments were taking place. In preparation for World War 1, military servicemen at Fort Riley, where numerous prior vaccines had been developed, conducted a massive vaccination experiment. This would lead to "patient zero" appearing in the United States rather than Spain. If history was honest, it would actually be called the 1918 United States Military Flu. However, thanks to prolific influence from the likes

of the Rockefeller family and other Big Pharma globalists, the blame got shifted to Spain.

It would take until long after the war for autopsies to show that the millions of people who died from the "Spanish Flu" actually died from vaccine-induced bacterial meningitis. "It was caused by random dosages of an experimental 'bacterial meningitis', which to this day mimics flu-like symptoms," Martingano explains. "The massive, multiple assaults with additional vaccines on the unprepared immune systems of soldiers and civilians created a 'killing field.'"

Interesting, the only people who were not affected by the so-called Spanish Flu were those who avoided taking the injections. Those people would go to live normal lives and even tell all about what they witnessed at that horrific time. "They used the human population as a research and development lab to field test experimental vaccines...Tens of millions of civilians died in the same manner as the soldiers."

This sobering account of what really happened during the so-called Spanish Flu pandemic of 1918 explains a lot about what the world is currently facing with the latest fraudulent PLANDEMIC episode called "Covid". It was all a lie back then, and is still a lie today.

## Bombshell Research: Natural Covid Immunity 6.72 Times More Effective than Vaccines

Testing "positive" for the Wuhan (covid-19) and later recovering from it, assuming you got sick at all, provides lasting immunity that science shows cannot be conferred through "vaccination."

According to the science, those who already had the Fauci Flu at some point throughout the past year were immune to the recent "outbreak", while those who got injected have been falling ill and dying from the latest "wave" of the virus.

These drugs from the government are spreading more "variants" at warp speed, which is making the plandemic worse. What people need are healing foods and herbs, not drugs from a Big Pharma factory. Sadly, many people have been misled into believing that certain herbs are "dangerous drugs", when the reality is that drug "medicine" of the kind being dispensed to fight Chinese germs are the truly dangerous drugs.

## Whistleblowers reveal COVID vaccines are causing CANCERS and AIDS

There were three whistleblowers who managed to get data from the Department of Justice, and were able to find information about the vaccines and their adverse effects. In fact, the vaccines have massive adverse effects that the pharmaceutical companies that produce them need special protection from the Senate.

A physician, Ryan Cole, said that he noticed certain viruses increasing while the same T-cells or immune cells keep cancers in check. He shared that he had to do about 40,000 biopsies in the past year, and he has been seeing certain types of cancers. However, upon talking to other laboratories to aggregate a bigger data set, Cole said he has been ridiculed and maligned instead.

"I am seeing an uptick in cancers. I'm seeing these old stable cancers take off like wild fires after the vaccines. It is happening."

### Vaccine-induced AIDS

Dr. Vladimir Zelenko proves how the COVID-19 vaccines are causing AIDS. It's not an HIV-induced AIDS, but a similar one that weakens the immune system. Zelenko said that by taking a shot that damages the tumor suppressor gene, people are killing their innate immune system.

"And that is why there's a huge spike in cancers. A huge spike in autoimmune diseases, opportunistic infections. Not to mention blood clots, heart attacks, strokes, myocarditis, miscarriages, ovarian testicular dysfunction, most likely infertility and antibody-dependant enhancement," Zelenko said.

Calling the adverse effect "AIDS" freaks people out, so public authorities chose to call it Vaccine-Acquired Immune Deficiency Syndrome (VAIDS) instead. VAIDS is basically AIDS given by a vaccine.

## Peaceful Freedom Fighter Guide

What you should do to take your Country Back

- 1- Recognize "Global Freedom Change" is real and understand the Global Oligarchy of Elites and NWO will say anything or do anything to achieve their objectives (there is nothing to debate with them). They are now "all in" on taking control of you because any failure will result in their loss of power and punishment. Governments goal is power, your goal is simply to preserve Freedom and Save your Country. Wait for "justice" until you fully control the levers of power.
- 2- Focus on your Local Government, National and Global Freedom initiatives (you are "all in" for Freedom). Time is of the essence, the next few months are critical. Keep in mind your fellow citizens and the government will understand what is going on even if the Media covers-up your progress. Global support (helping other Country citizens protect their Freedom) is important because they deserve Freedom just like you, and when they win your government recognizes their Global Alliance is failing (and they will understand what is coming for them.)
- 3- Stay with a simple, common message to overcome the "Covid Hoax" which gives them citizen support: Covid is not deadly for most; we have UNVAX rights: VAX does not stop spreading; many safe, inexpensive, in-home treatments are available in large quantity to quickly cure Covid. Use your message to peacefully convince Vaccinated Citizens who fear the Unvaccinated you have a right to UNVAX without putting them at greater risk than the VAX.
- 4- Recruit law enforcement and military supporters with the goal of saving the Country by peacefully preserving Citizens Freedoms. Show them you are human, remind them you are a fellow citizen and ask them to support you. Angry mobs do not win support, they compel adversity. You want their support to prevent needless violence.
- 5- Actively participate in Elections, Peaceful Protest Marches and Peaceful Strikes to build support momentum and to get your message known. Avoid needless confrontation, but be strong. You must test some limits to gain ground, but try not to go over the edge to make reaction inevitable. Welcome everyone to the Freedom Cause (you represent all citizens).
- 6- Donate to the Freedom Cause.
- 7- "Walk Softly", but be confident when you build a Global Freedom Fighter Citizen Group of millions you will carry a "Big Stick".
