

The SAWBONE Times

New DHS "Disinformation" Unit

Just weeks after the Hunter Biden "laptop from hell" was unveiled to Congress and the FBI, the Department of Homeland Security (DHS) announced the formation of a "disinformation" unit inside the federal government. This "disinformation" unit will be used to create a "Ministry of Truth" on all things COVID-19 and anything related to Russia and Ukraine. This Ministry of Truth will also be used to cover up for the Biden family's corruption in Ukraine and China hiding a trail of evidence that goes back to a time when Joe Biden was vice president. With this move of censorship and thought control, the DHS will be turned into the Biden family's personal mafia.

The DHS has developed a "disinformation governance board" which will target and eliminate any incriminating information that the federal government doesn't want the public to hear. This "disinformation

board" will demand public obedience to oppressive COVID-19 protocols and shutdown any evidence of election fraud. This "disinformation" unit is designed to cover up government crimes while targeting the truth-tellers who expose those crimes.

The executive director of this new Orwellian venture is Nina Jankowicz, a former advisor to the Ukrainian Foreign Ministry. Jankowicz is the perfect candidate to cover up the Biden regime's war crimes in Ukraine. Jankowicz will be in charge of fine-tuning the administration's official narratives and targeting any opposition to those narratives.

She previously labeled the Hunter Biden laptop story "disinformation" - even though the criminal evidence from the laptop is now public record. This is the same woman who "shudders" at the idea of free speech. She tried to cover for the Biden family by labeling the

1 - ADOLF HITLER HAD A MINISTRY OF TRUTH.
2 - JOSEPH GOEBBELS HAD A MINISTRY OF TRUTH.
3 - JOSEPH STALIN HAD A MINISTRY OF TRUTH.
4 - JOSEPH BIDEN HAS A MINISTRY OF TRUTH.

PROPAGANDA

Hunter Biden laptop story as 'Russian influence op'.

Nina Jankowicz is very concerned that the current regime and its network of propaganda pushers will lose much of their influence over social media platforms.

Expect the current regime to double down on their censorship, as they desperately force their crooked narratives onto the American people.

11 Signs You Are Awake

1. You know there's no meaningful difference between major political parties (Democrats and Republicans). It's indisputable that there is no significant differences between political parties when it comes to action on the most important issues.

2. You understand that the Federal Reserve, or international central banking more broadly, is the engine of our economic problems: Debt slavery is the totalitarian force that threatens all of humanity, not some temporary political puppet or some greedy Wall Street trader.

3. You know that preemptive war is never necessary. When we realize that self-defense is the only acceptable form of violence, then we become awakened human beings.

4. You know that you're being systematically poisoned, how, by whom and why. It is likely for the deliberate purpose of dumbing us down and, ultimately, culling the population.

5. You understand that government can never legislate morality, nor should they. When you realize the role of government is only to protect your liberty and work for the well being of the citizens, you're awakened. There should be one simple law regulating morality: Do No Harm. Thus, it's impossible for the government to enforce morality with guns, cages and taxes because those clearly cause severe harm to your liberty and our well-being.

6. You know that the mainstream media is wholly owned and manipulated by the ruling elite. Recognizing that they are nothing more than a propaganda machine and a form of mind control are the first steps in being able to critically think beyond the scientific messaging they broadcast.

7. You know that your neighbors are not your enemy even if you have fierce ideological disagreements. It's vital to understand that they have been indoctrinated and hypnotized like the rest of us. Most of their thoughts and ideas are not their own.

8. You know that the endgame is a one-world control of

planet Earth. Once you understand that the endgame for the ruling elite is to have complete control of all the vital facets of society through a global government, one-world currency, international armed forces and so on. You will never go back to sleep when you fully accept this reality.

9. You recognize that there are esoteric powers manipulating our physical world. Whether you're a religious or spiritual person, scientific or just plain curious. Part of any awakening is realizing that there is much more that is possible than impossible.

10. The power to change the world rests with you and you alone. For too long people have believed themselves to be weak, or relied on others to change the world for them. You'll know that you're fully awake when you realize that you have infinite power to change the world by simply living the change you want to see.

11. You know it's your DUTY to wake up others. The scales are starting to tip in our favor... and the establishment is scared.

Something Very Weird Is Going On In China

China's crackdown on covid infections have reached levels so bizarre that we have to ask the question: Are their lockdowns really about covid or are they hiding something else. Why would China do this over a virus we all know is not dangerous to the vast majority of people? Why institute the worst lockdown in the country so far and starve their own people when the majority of Western Governments have now given up on their pandemic fear mongering and the forced vaccination agenda.

China might already be engaging in a economic war that many Americans and Europeans don't even realize is going on. This may be a beta test for a shut down of exports to the US and Europe, or it is an incremental shutdown that is meant to become permanent. The bottleneck on trade may also be a precursor to a Chinese invasion of Taiwan.

If China is planning on invading Taiwan in the near future, they might be considering using covid as a cover for damaging their economy first and disrupting their export model. Communists see the population as a utility that can be sacrificed if it means long-term gains for the party.

"Red Pill" The Russia-Ukraine War

President Joe Biden and the media desperately want you to believe Russia is the bad guy and Ukraine is a little angel. They want you to fall in love with the underdog Ukraine. They want you to support America getting involved on behalf of Ukraine. To get your support, they need the media to sell you a bill of goods. But it doesn't add up.

First Biden is the one who funded Russia's invasion. Biden killed our pipelines, killed coal and banned drilling, which made us dependant on Russian oil... which made Russia filthy rich and arrogant. Biden paid for this war.

Second, if Russian President Vladimir Putin is the "bad guy", why is Biden continuing to buy billions of dollars of oil from Russia everyday? Does this make sense?

Connect the dots. Biden is feeble, feckless old puppet with dementia. George Soros pulls Biden's strings. Soros is on the side of Ukraine. Soros recently said the whole world must support Ukraine. It's been reported Soros funded Volodymyr Zelenskyy and then installed him as president of Ukraine... One of the most corrupt nations on the Earth.

Now we come to the mainstream fake news media. Has the media ever told the truth? It's been nonstop lies, fraud and propaganda. The media tells you any lie that advances the cause of the Democrats, Soros and the destruction of America.

After years of lies and propaganda, suddenly you trust the media? This war is a WMD: a weapon of mass distraction to get your mind off the disasters Biden has created at home, including massive inflation, vaccine mandates and the worst crime wave in history.

This is pure "wag-the-dog" theatre to save Biden from the worst polls in modern history. Instead of hating Biden, they want you to hate Putin.

This is all part of Klaus Schwab's "Great Reset". They want to make us all obedient serfs and slaves. They need World War III as a distraction while they destroy America and capitalism and take your freedoms away.
